Job Description: Under the direction of the Caltrans Maintenance Storm Water Supervisor. Works with and operates special types of equipment in the District Storm Water Crew. This crew is responsible for performing most storm water related maintenance activities through the District. These activities include cleaning and maintaining all types of drains. Also responsible for sweeping highways, and mitigating erosion throughout the District's maintenance area. There may be occasions when working in this program incumbent will be required to act as both laborer and operator. Assigned to work District-wide out of town travel on a per diem basis averaging 80% of the time. Will work irregular shifts, including but not limited to nights, weekends, and holidays. Required to work in a wide range of sometime-extreme weather conditions, including heat, cold, strong winds, sleet and snow. May be required to work overtime due to emergencies or special work projects. Submit a post and bid form.

Caltrans Electrician II Class Code: 6924

Work Location: District 09 **Unit:** 640 -642 **Yard:** Bishop/Electrical Crew

Shift: 4/10

Days Off: Friday, Saturday, Sunday

Shift Start: 0600 - a.m.

Shift End: 1630 - p.m.

Physical Location: 1250 Spruce Street, Bishop, CA 93514

Comments: Work hours are 4/10's with Friday, Saturday and Sunday days off.

Pre-Requisite Skills: Must possess a valid Class C Drivers License. Class B or Class A Commercial drivers license with tank endorsement and valid DMV physical certificate is desirable.

Job Description: Working under the supervision of a Caltrans Electrical Supervisor or employee acting for them. Incumbent is responsible for the installation, maintenance and repair of electrical and electronic devices associated with state facilities. Incumbent may also perform lead work as required involving but not limited to, office duties and lower level electrical positions. Position requires the operation of light trucks, personnel hoists, vans and automotive vehicles. Incumbent will drive heavy trucks if properly licensed. With training and certification where necessary, incumbent will be required to operate equipment such as trucks, trenchers, forklifts, air quality monitors, hoists and cranes. This may include operating and maintaining equipment. During the winter months may be required to perform snow removal. Will work irregular shifts, including but not limited to nights, weekends and holidays. Required to work in a wide range of sometimes-extreme conditions, including heat, cold, strong winds, rain, sleet and snow. May be required to work overtime due to storms, emergencies or special projects. Submit a post and bid form.

Job Title: CT EQUIPMENT OPERATOR II Class Code: 6286

Work Location: District 11 **Unit: 622 –SD Paint Crew** **Physical Location:** 7181 Opportunity Road, San Diego

Shift: 5/40 Days Off: Saturday/Sunday **Shift Start:** 0700 AM **Shift End:** 1530 PM

Pre-Requisite Skills: Class A Commercial Driver's License with Tank endorsement [N] issued by the California Department of Motor Vehicles.

Job Description: Under direction by a CMS or leadworker, incumbent operates and services heavy equipment associated with the installation or replacement of pavement delineation on State highways throughout District 11. During storms, when delineation cannot be maintained, patrols for mudslides, plows snow, or performs other activities related to pavement delineation. Responsible for operating/driving various Class I & II equipment in moving lane closures in a moving striping operation. In some cases do various levels of maintenance and repairs to paint striper. Works with a crew involved in placing highway markings and striping. Typical tasks include operating Paint Striper, operating paint tender trucks as a shadow truck. When not operating the specified equipment will perform duties normally assigned to a CT highway Maintenance worker. May be assigned to run a CMS truck during various delineation operations. Will perform manual labor and use power and hand tools while working in the assigned duties as well as other related tasks such as traffic control. Traffic control duties may include setting and picking up various types of closures, using traffic cones and advance warning signs, hand flagging traffic, and operating pilot vehicle and cone truck. Works with a crew involved in placing highway markings and striping. Typical tasks include using paint gun, laying down and picking up stencils, loading glass beads, cleaning and masking stencils, cleaning up equipment. Load paint and beads on striper and paint tenders. The incumbent keeps records such as pre and post operation reports on equipment operated; repair requests; night reviews; crew/time and material reporting forms; and material and fuel usage forms. Will also be required to clean equipment and work area at the conclusion of shift. Will assist in training new employees coming onto crew. The incumbent will work individually or with a crew, and may occasionally oversee other crewmembers. Incumbent will be required to work overtime including nights and weekends, may be required to work temporary and/or intermittent varied work shifts, and is expected to respond to emergency calls. The position requires out-of-town travel, approximately 8 weeks per year, usually in week-long increments.
